

LASH ARTIST OF THE MONTH

Diane Lytle

DermaGlow

Wasilla, Alaska

Diane Lytle is a licensed aesthetician, who began her private skin care practice in 2007. To offer a higher quality of service and professionalism, Diane established DermaGlow® Alaska, LLC, a skin care clinic offering a high-end, unique spa experience with a highly trained and qualified team of professionals.

“I wanted to be able to offer a higher quality of service to Alaska, while maintaining that special one-on-one atmosphere with each and every client. At DermaGlow®, we are known for being able to offer real results while educating clients on proper skin care, health and well-being and offering the latest in advance skin care treatments.”

As an Advance Novalash technician, Diane has established herself as the best lash artist in Alaska. With over 100 lash clients returning monthly, and a waiting list, Diane is fondly touted as TheLashChick™ by her clients, and has just recently trademarked this. Lash extensions are Diane's specialty and the heart of DermaGlow®.

“Lash extensions are an art. Not just anyone can be a lash artist. It takes a very special talent to create beautiful, natural looking extensions. Unfortunately, I have had to correct many poorly applied extensions by other technicians which have caused lash damage, pain and discomfort to clients. There is nothing better than the joy of a happy client who sees how beautiful, and pain free, properly applied extensions can be. I absolutely love being a lash artist, it is my passion, and I love making women even more beautiful with Novalash extensions.”

Diane has been featured in several local publications for her lash artistry, and she writes educational periodicals on skin care for a local newspaper every other month. You can view these articles on the DermaGlow® website at www.dermaglow-ak.com.

Diane is an **ADVANCED TRAINED** lash stylist for Novalash and was also featured as one of our **TOP SALONS** in our last few promotions that took place in Miami, Orlando and another upcoming event in NYC. For more information about how to become lash artist of the month or to be certified as an advanced trained stylist or to be part of our **TOP SALONS** list for future promotions and events please contact Ali Moon at ali@novalash.com.
